Disposal of land in Sno 10 of Attimaga Minor Forest Rengadi Taluk.
AF-D 427 DST 57 A — 2065 R(A)

Kindly see the draft letter put up in the A & F Department. The information called for from the Divisional Caur Bore is in the statement forwarded by the Divisional Caur. (5 CF)

In this connection it may be pointed out that after disafforestment, the land ~~have~~ in question have to be disposed of in accordance with the revised land grant rules. But in this particular case the authorities have recovered the upset price at the rate of Rs 25/- per acre and plantation charges (as shown in the statement) in anticipation of disafforestment and its grant as opined by the Forest Department.

As the upset price and plantation charges have already been recovered and credited to Govt, the land will have to be granted to the petitioners.

Therefore the A & F Department may perhaps be requested to ask the Divisional Caur Bangalore to obtain proper sanction of Govt to dispose of the land in question after its release from the Forest Dept and in accordance with the revised land grant rules.

Subject:- Disposal of land about 87 acres 22 guntas out of survey No. 10 of Attimgere minor forest, Magadi Taluk, after its release from the Forest Department to certain applicants.

-

Reference:-

Revenue Secretary's letter No. R.107/23-4-1953 and Memo No. R.5704 dated 30-6-1953.

-

In enclosing herein the connected records on the above subject, I write to state as follows:-

On the representation of certain depressed class people of Magadi and Ramanagaram Taluks to the Commissioner for Food Production, the Forest Department agreed to release the land for agricultural purposes provided that a sum of Rs.609-7-0 spent by the Department is reimbursed.

Accordingly at the rate of Rs.20-5-0 each from 11 Adikarnatakas of Attimgere village, for adikarnatakas of Hanchikuppe of Magadi Taluk and 5 Adikarnatakas of Gangarahalli of Ramanagaram Taluk was got recovered and credited by the Special Officer for depressed class people and a further sum of Rs.2-5-0 was got credited from one Bheemiah who is a lame man of Magadi, thus the total amount got credited was Rs.426-9-0.

On the agitation from both the depressed class people as well as others to the effect that preference should be given to the landless people of Attimgere and surrounding villages instead of getting it to people from outside and living in a far off place and as per instructions issued from this office, the Sub Division Officer, Ramanagaram, inspected the spot in company with the Amildar, Revenue Inspector, and the M.L.A. of the Taluk on 20-7-1953 when a large gathering of villagers and the darkhastdars congregated. After examining each case, the Sub Division Officer has prepared a revised list of 32 persons to whom the land in question is proposed to be disposed of for approval. There is only about 62 or 64 acres arable land available out of 87 acres 22 guntas in survey No. 10 which is proposed to be released and the rest is rocky and uncultivable.

Out of 32 persons, 21 are adikarnatakas and 11 are other caste Hindus.

The value of the land is estimated at Rs.50/- per acre and the same has to be recovered from the persons other than Adikarnatakas if the list prepared is approved and at Rs.20-5-0 each from Adikarnatakas those who have not paid already.

It is reported that 16 adikarnatakas in the present list have already paid at Rs.20-5-0 each and outof these four that have already paid at Rs.20-5-0 have been deleted in the present list (viz., 1. Sri Dasappa, 2. Sri Giriappa and 3. Sri Kalluvenkatiah who owns a small extent of land at 1¼ acres each and 4. Sri Kalkere Chikkiah who is non-resident of the village.

It is reported that some names of Adikarnatakas who are the signatories to the representation tendered to the Commissioner for Food Production and who have not paid the above amount have been deleted mainly due to non-availability of land.

Sri Chikkaboriah and others (Adikarnatakas) of Magadi Taluk presented a petition to the Revenue Minister praying for grant of land either in Attamgere forest or Lakkasandra minor forest (Helagehalli minor forest) on which a report is due to Government.

Sir,

Sub: Disposal of land in S.No.10 of Attingere Minor Forest, Magadi Taluk.

Ref: Your letter No.AFD-427-DST/57 dated 20-12-1957.

I write to state that it was agreed to by this Department for release of 84 acres 18 guntas in S.No.10 of Attingere Minor Forest, Magadi Taluk, subject to the recovery of Rs.609-7-0 spent by the Department on regeneration works and also on recovery of an upset price of Rs.20-0-0 per acre. The Revenue Department agreed for the recovery of the amounts. However, on a further reference received from the Revenue Commissioner regarding payment of upset price of the land, it was intimated that this is a matter for the Revenue Department to consider at the time of grant after release of the area. As regards the recovery of expenditure incurred by the Department for regeneration a sum of Rs.426-9-0 only has so far been accounted for in the accounts of this Department on the basis of certified chellans and the balance of Rs.182-14-0 is still shown as due. Though the Revenue Department have intimated that the whole amount has been recovered from the parties, the remitted challans have not been made available to this Department for effecting necessary transactions in the accounts of this Department. The Divisional Commissioner, Bangalore and the Deputy Commissioner, Bangalore District are being repeatedly requested to furnish the remitted challans to the District Forest Officer, Bangalore early to finalise the transactions in this behalf. As soon as this transaction is completed, Government would be addressed to sanction the disforestment of the area.

I write to state that it was agreed to by this Department for release of 84 acres 18 guntas in S.No.10 of Attimgere ~~Minor~~ Minor Forest, Magadi Taluk, subject to the recovery of Rs.609-7-0 spent by the department on regeneration works and also on recovery of an upset price of Rs.20/- per acre. The Revenue Department agreed for the recovery of the amounts. However on a further reference received from the Revenue Commissioner regarding payment of upset price of the land, it was intimated that this is a matter for the Revenue Department to consider at the time of grant after release of the area. As regards the recovery of regeneration expenditure incurred by the Department for a sum of Rs.426-9-0 only has so far been accounted for in the accounts of this department on the basis of certified chellans and the balance of Rs.182-14-0 is still shown as due. Though the Revenue Department has intimated that the whole amount has been recovered from the parties the remitted challans have not been made available to this department for effecting necessary transaction in the accounts of this department. The Divisional Commissioner, Bangalore and the Deputy Commissioner, Bangalore District are being repeatedly requested to furnish the remitted challans to the District Forest Officer, Bangalore early to finalise the transactions in this behalf. As soon as this transaction is completed Government would be addressed to sanction the disforestment of the area.

The records received with your letter under reference accompany.
